

# TUVAA's

## Warrior Economics

**Course Description:** Warrior Economics is designed to efficiently maximize the tool of money to provide various supplies for various demands. Knowing how to make, manage, and store tools of economics is critical to survival. Economic ups and downs is applicable to every human unit on the planet. When a warrior knows how economics influences the daily walk then the walk becomes manageable. Our Economic Warriors know how to keep coin in the pocket and flow on the table.

**Objectives:** Students will Know the basic foundations of economics and connect their roots with currency, credit, banking, bartering, and investing.

Students will Know how to work, own, save, and plan within the world of finance, ownership, and production.
