

# Scholarships

This is going to blow your mind!

For the past 44 years, since 1979, Coach Fulton has been sending players to college and the pros via football and baseball. He has provided opportunities for Full scholarships, partial scholarships, pro-contracts, international jobs to student-athletes from many different walks of life and from many different backgrounds in scholastic-athletics.

He has also been on the other side of the fence giving scholarships and contracts.

Over the years Coach has worked with Amherst County HS, Louisa Co HS, Central HS, Hampden-Sydney College, Averett University, The Pirates, the Red Sox, the Mets, The Florida Marlins, the German National Baseball Program, and Major League Baseball International.

Also, Little League, Dixie Youth, USSSA Baseball, and Perfect Game USA.

There are not many who can provide guidance to a player and their family in the world of higher education and athletic participation with this type of multi-level background.

For Coach Fulton, the process is so simple: Coach asks that each family contributes to his service by supporting the Wild Penguins with a one-time mentorship fee of \$275.00. This allows the coach to network the student-athlete to the most appropriate college/pro/international opportunities that fit his vision/skills with no extra strings attached.

AND if baseball is the target for the student-athlete then this fee also provides him or her the opportunity to participate in the Wild Penguins International Baseball Games.

Therefore, to start the process of Scholarship for the future please contact Coach Fulton via text/phone/email to arrange a discovery session for the future and explore the possibilities of our mentorship to serve the family.
