Marketing and Sponsorship

Each Member of the Wild Penguins can participate in the marketing program. The WP Marketing raises funds for the program, provides revenue for active players, and provided educational experiences in sports management/sports marketing.

The Sponsorship Program is Simple:

Wild Penguin Membership secures advertisement sponsors and donations to support the Wild Penguin Global opportunities. Members have an unlimited range and area of reach.

Members have a “goal of funding” to reach that covers the expenses of their participation. Once this level is reached, the member has a working agreement to receive payment for all money generated after his targets are met. The Wild Penguins will pay 45% of every dollar raised to the member who secures the funding for the Wild Penguins.

The best example is how this would be applied to the Senior Tour.

A senior tour member raises \$2500.00 via advertisements in the yearbook. That \$2500.00 is applied to his travel, lodging, and meal expenses for the tour. He also raised another \$1500.00 in addition to the \$2500.00. Therefore, out of this additional \$1500.00 he will be paid \$675.00 and the remaining \$825.00 goes into the Wild Penguins General Fund. This hard-working member participated in the tour, did not have to pay for his expenses, and made \$675.00 to participate!

The Marketing Mission is Also Simple:

“Find others who want to share their Joy with you!”

They can do it with a personal open-ended contribution of their choosing, or they can commit to a designated amount in the form of printed pages in our yearbooks and on our virtual website, www.mylifewarriors.com, and in all our global socials.

\$1000 for a Full Page

\$500 for a 1/2 Page

\$250 for a ¼ Page

\$150 for a Business Card Size

The Wild Penguin member secures the gentleman’s agreement, and Our WP Marketing Department will collect your sponsor’s business information, provide them with invoice, and will process/collect the payment on your behalf.
