

Adaptive Baseball

**Adaptive Baseball has always been
around. If you throw and catch a ball
you are playing ADB!**

**Over the years we adapted and grew.
Now we march on into the future with
our Wild Penguin Games.**

**The WPGs are played all over the
world. Our collection of pictures will
paint the story how we embrace all
who play to enjoy the day.**

**Inclusive, Adaptive, Creative,
Victorious**
